SECTION 1 | READING COMPREHENSION (7 marks)

A Friendly First Day

Omar is a new student at college. He is a freshman, and he feels a little shy. Before college starts, he joins an online group for new students. On the first day, he is happy to meet his new friends in person.

Omar moves into a dormitory. His roommate, Ali, is friendly and helpful. They share a small room and a bathroom. They agree to keep the room clean and respect each other's privacy.

In the afternoon, Ali introduces Omar to his friend Hassan. Hassan says, "Nice to meet you!" Then he asks, "Would you like to grab something to eat?" They have lunch together at the college café.

Later, Omar visits the freshman support group. A student assistant shows him the library and tells him how to find a tutor. Omar learns that he should participate in college activities and follow the rules. At the end of the day, he feels happy about college life.
